

D.L.S. P.G. COLLEGE, BILASPUR (C.G.)

YEARLY REPORT OF IQAC

Session: 2020-21

The IQAC continuously monitors teaching-learning activities conducted in the institute to ensure academic excellence. feedback from Students, Alumni and Parents on teaching-learning, infrastructure, academic facilities and support system has been taken. The IQAC ensure the routine feedback collection and its analysis. It maintains academic quality measures by collaborating with various cells and committees i.e., Career counselling, Anti-Ragging, Women cell and grievance redressal cell, etc. The feedback analysed data is presented before Principal and Governing body to take necessary action/implementation. The department conducts continuous evaluation to identify slow learners and brilliant learners among the students. The slow learners are encouraged for remedial classes, personal interactions, and counselling sessions to improve subject knowledge while advanced students are provided additional assistance to increase their knowledge and skills via group discussion and proactive participation in college seminars and conferences. Along with this, experiential learning, the students are encouraged for participative learning as project work, assignments, seminars, and field visits for effective teaching-learning practice. The institution in collaboration with Tata Institute of Social Sciences (TISS) - National University Students' Skill Development (NUSSD) offered various certificate programmes during the session for students.

IQAC promoted usage of ICT facilities in teaching and learning and organized various online webinars during COVID-19 pandemic for creating awareness in current scenario (<https://dlscollege.in/webinars/>). The cell organized different in-house training programs for teachers, to learn using virtual platforms like Zoom, Google meet, Google Classroom, Teachmint and so on. The cell promoted the MHRD online study materials available in the web resources and tried to implement the digital system in the library.

The Significant contributions made by IQAC in the current session:

1. Strengthens ICT – The institution assured purchasing of various tools and subscriptions of virtual platforms and faculties were encouraged to undergo training so that they can be well-versed with the new technologies used in teaching-learning and evaluation.

2. e-Governances – The institute purchased automation software from Master Soft ERP CCMS-Centralized Campus Management System, Nagpur (M.S.).
3. Encourage departments to organize webinar/e-conference/other relevant e-activities (<https://dlscollege.in/webinars/>).
4. Plan of action placed in the IQAC meeting to ensure efficient working of cells and committees.
