Yearly Report

2020-21

The College at a glance

DLS PG College is run by 'Parth Shikshan Samiti', an institution dedicated to serve the nation through education, research and training. The college was established with a dream of making quality higher education available to the youth of Chhattisgarh and primarily to the deprived sections. It is a private self-financing college which is working for holistic development of rural and backward youth for two decades. This college was established in 1997, in the memory of Late Shri Dashrath Lal Sharma. With over 7 acres of clean, green and new age college campus with state of the art infrastructure and modern facilities for the students, we provide a healthy and pleasant academic environment for the leaders of tomorrow. We invite you to build a career, create a personality and live the best days of your life here at D.L.S.P.G. College.

VISION

To be a distinctive and innovative institution of national significance; an institution with a pivotal role in the educational, economic, social, cultural and environmental infrastructure of its region and which reaches out to the people of the marginalised sections and the rest of nation through its research and teaching.

MISSION

- To provide students quality education, teachings & values.
- To be at par with modern educational policies.
- To enable teachers for modernization and helping for social change.
- To empower teachers to cultivate rational thinking and scientific temper among the students.

Organogram: <https://dlscollege.in/wp-content/uploads/2022/05/Organogram.pdf>

Management: The Institutions always believe in and practice decentralization and participative management, which is reflected in the decision-making, planning, and implementation. All the stakeholders are involved in the decentralization and participative management and decision-making process, and working together towards the vision and mission of the college. The Institution promotes a culture of decentralization and participative management involving all types of stakeholders in the process of decision-making.

- **Administration:** The College administration plays an integral role, in leading and supporting the development and implementation of policies, programs, and initiatives that are associated with the vision and mission of the college. The administration ensures smooth functioning in all areas like Admissions, Accounts, Finance, Record Keeping, Evaluation and Supervision, and Maintenance.

- Faculty Members: The faculties execute effective classroom teaching, assessment, and evaluation of students.
- Departments: A division of the college working to provide academic excellence to students
- Non-Teaching Staff: Non-Teaching Staff plays a crucial role to accomplish the operational and strategic objectives of the administration.

As our college is affiliated with Atal Bihari Vajpayee Vishwavidyalaya, the parent university designs the curriculum and revises it from time to time along with a well-planned academic calendar. The college strictly follows the curriculum and evaluation pattern laid by the university. The Principal conducts regular meetings with departmental HODs to ensure the effective delivery of curriculum and completion with cells and committees to analyze student support and holistic development. The continuous evaluation helps us to identify slow learners and brilliant learners among the students. The slow learners are encouraged for remedial classes, personal interactions, and counseling sessions to improve subject knowledge while advanced students are provided additional assistance to increase their knowledge and skills via group discussion and proactive participation in college seminars and conferences. Along with this, experiential learning, the students are encouraged for participative learning as project work, assignments, seminars, and field visits for effective teaching-learning practice. The traditional chalk & talk method was almost replaced by interactive and ICT-enabled teaching and learning methods during a pandemic and various Teaching-learning platforms like Zoom, Google meet, and WhatsApp were used for conducting classes and study materials.

The College faculties are aware of professional ethics in education. Activities conducted for promotion of universal Values and Ethics i.e., constitution day celebration. Our college is committed to its social responsibilities towards the environment and other related issues, which is reflected in the overall activities organized from time to time. Environmental Consciousness related activities i.e. World Environment Day; National e-Poster Competition was organized on the topic of "Impact on Lockdown in Environment". Around 100 e-posters were received from different states i.e., Maharashtra, Uttarakhand, Bihar, Karnataka, and West Bengal. The college aims to install eco-consciousness in each stakeholder by involving them in various activities related to the environment.

The college strictly adheres academic calendar issued by the affiliating university and displayed on the website, It is also communicated to students at the time of induction. The college and departmental level academic calendar and timetable are prepared for the effective implementation of the academic calendar issued by the university. For an effective teaching-

learning process apart from regular classes, expert talk and departmental activities (to subject to society) are organized, and all the activities are managed as per the academic calendar. For continuous evaluation, internal unit tests, model tests, and assignment presentations are organized. Remedial classes for slow learners students are also organized from time to time. The teaching material and question bank are also distributed to students. Examination and Internal assessment are conducted for undergraduate and postgraduate students as per the circular released by the university from time to time. The marks of internal assessment are uploaded to the university portal. The practical and final examinations are conducted per the university circular and marks are uploaded to the university portal. The college ensures the conduction of regular unit tests and internal examinations as per the academic calendar issued by the affiliating university.

The IQAC continuously monitors teaching-learning activities conducted in the institute to ensure academic excellence. feedback from Students, Alumni, and Parents on

teaching-learning, infrastructure, academic facilities, and support system has been taken. The IQAC ensures the routine feedback collection and its analysis. It maintains academic quality measures by collaborating with various cells and committees i.e., Career counselling, Anti-Ragging, Women cell, and grievance redressal cell, etc. The feedback analyzed data is presented before the Principal and Governing body to take necessary action/implementation. The department conducts a continuous evaluation to identify slow learners and brilliant learners among the students. The slow learners are encouraged for remedial classes, personal interactions, and counselling sessions to improve subject knowledge while advanced students are provided additional assistance to increase their knowledge and skills via group discussion and proactive participation in college seminars and conferences. Along with this, experiential learning, the students are encouraged for participative learning as project work, assignments, seminars, and field visits for effective teaching-learning practice. The institution in collaboration with Tata Institute of Social Sciences (TISS) - National University Students' Skill Development (NUSSD) offered various certificate programmes during the session for students.

IQAC promoted usage of ICT facilities in teaching and learning and organized various online webinars during COVID-19 pandemic for creating awareness in current scenario (<https://dlscollege.in/webinars/>). The cell organized different in-house training programs for teachers, to learn using virtual platforms like Zoom, Google meet, Google Classroom, Teachmint and so on. The cell promoted the MHRD online study materials available in the web resources and tried to implement the digital system in the library.

The Significant contributions made by IQAC in the current session:

1. Strengthens ICT – The institution assured purchasing of various tools and subscriptions of virtual platforms and faculties were encouraged to undergo training so that they can be well-versed with the new technologies used in teaching-learning and evaluation.
2. e-Governances – The institute purchased automation software from Master Soft ERP CCMS-Centralized Campus Management System, Nagpur (M.S.).
3. Encourage departments to organize webinar/e-conference/other relevant e-activities (<https://dlscollege.in/webinars/>).
4. Plan of action placed in the IQAC meeting to ensure efficient working of cells and committees.
5. Institutional Social Responsibility activities:

- a) Donation of 51,000/- R.S. to CM relief fund during covid-19 pandemic.
- b) Proposal to the government to use institutional buildings as a quarantine center.
- c) Donation of 10, 000/- R.S. to BOOSTUP INDIA (non-profit organization), which works for mental wellness.
- d) NSS students and faculty members voluntarily donated masks and sanitizers and institute conducted awareness programs in society.
- e) Student and faculty members of social work organized an awareness program and donated masks and sanitizers.
- f) Faculty of social work Mrs. Ankita Pandey has been chosen as a special police officer for voluntarily helping and creating awareness about covid pandemic.

Miscellaneous activities:

1. Organized a survey among students and faculty members of higher education institutions regarding ICT and covid pandemic awareness using Google form and organized many national and international webinars.
2. Faculty completed SWAYAM or FDP courses.
3. Faculty members of various departments submitted their video lectures and study material in the C.G. higher education portal accessible to all the students.
4. Head of departments and other faculty members are in contact with all the students and counselling for mental well-being and future career.
5. Organized online free workshop for students and other members in opportunities in careers in entertainment by a renowned Mumbai-based artist.
6. Organized counselling sessions for students and others in association with boost-up India organization for mental wellbeing during the COVID-19 period.

To ensure the least constitutional obligations among stakeholders (student, employee, and employer): values, rights, duties, and responsibilities the college organizes the following activities, programs, and awareness:

1. Women Cell Activities i.e., Webinar on Kanya Bhrun Hatya (4 Mar 2021) <https://www.youtube.com/watch?v=sO1AvTi5a4M&t=2s>) and Webinar on Women Health & Hygiene Cervical Cancer (8 Mar 2021) <https://youtu.be/WRZfn9wkFaY>.
2. The online Student induction program was conducted on 02 Nov 2020 to introduce students to the college's faculties, code of conduct, ethic, values, rights, and responsibilities.

3. Creating awareness of values, rights, duties, and responsibilities through pasting flex and posters inside the campus (on-campus hoardings)
4. An orientation program was conducted every year for new staff to bring awareness about the college's ethics, values, rights, duties, and responsibilities through academic committees

To ensure women's empowerment through gender equity in education the college is doing consistent efforts.

1. The Women Cell was established to deal with issues related to gender sensitization, women empowerment, and other women's welfare measures in 2015. The "Shakti" was established and followed VISHAKHA GUIDELINE (<https://main.sci.gov.in/jonew/judis/13856.pdf>) for working women.
