Parent-Teacher Meeting and Alumni meet is also organized. in which suggestions are invited from them. The college has many committees which conduct regular meetings to address the challenges faced by the students during the completion of the curriculum. The institute monitors and evaluates the quality of teaching-learning through IQAC which collects feedback from stakeholders (students and parents) and on the basis of the feedback, monitors and evaluates the quality of teaching-learning. These analyzed and evaluated reports are analyzed by the IQAC and forwarded to the Principal and then to the Governing Body for further action.
